MEMORANDUM FOR: Deputy Director (Plans)  
THROUGH: Acting Chief, DPD-DD/P  
SUBJECT: P2V7 Briefing of Air Force Personnel

1. A briefing has been planned and arrangements made to brief General J. H. Walsh and other USAF personnel at 1400, Thursday, 12 March 1959 in the DCI conference room on joint Air Force-Agency use of the two P2V7U airplanes in Wiesbaden.

2. Subject to approval by you and General Cabell we propose the following:

"Both RB-69A (P2V7U) airplanes will be retained in operation in Wiesbaden. They will be available for use by either the Air Force or this Agency on the following priority:

- a. Overflights (CIA)
- b. Peripheral Flights (USAF)
- c. Training (USAF-Agency)

Both airplanes will belong to the Agency. The cost of operation will be split on a 50-50 basis. The Agency will receive forty hours of flying each month for training. The balance of the flying time will be available to the Air Force."
